

PUBLICATION RELATED TO EPN (ITALY - TRIGGIANI - TARASCO)

- TRIGGIANI O. & TARASCO E., **2003** – Application of Entomopathogenic nematodes to control overwintering larvae of *Thaumetopoea pityocampa* (Den. Et Schiff.) (Lepidoptera: Thaumetopoeidae). Insect Pathogens and Insect Parasitic nematodes, IOBC wprs Bulletin, vol. 26(1), 2003: 165-167.
- SUSURLUK I. A., HOLLMER S., USHA MEHTA HAN, R., HAUKELAND SALINAS S., TARASCO E., TRIGGIANI O., PETERS, A. & EHLERS, R.-U., **2003** – Molecular identification of entomopathogenic nematodes from Turkey, India, China, Norway, Italy and Germany by PCR-RFLP of the ITS region. 9TH European Meeting IOBC/WPRS, Kiel, Germany, May 24 - 28, 2003.
- TARASCO E. & TRIGGIANI O., **2003** – Use of Italian EPNs in controlling *Rhytidoderes plicatus* Oliv. (Coleoptera, Curculionidae) in potted savoy cabbages. 9TH European Meeting IOBC/WPRS, Kiel, Germany, May 24 - 28, 2003.
- TARASCO E. & POLISENO M., **2003** – Preliminary survey on the occurrence of entomopathogenic nematodes and fungi in soils from Albania. 9TH European Meeting IOBC/WPRS, Kiel, Germany, May 24 - 28, 2003.
- TARASCO E. & ENRIGHT M.R., GRIFFIN C.T., **2003** – Preferences of Italian *Heterorhabditis* for different *Photorhabdus* bacterial types. 9TH European Meeting IOBC/WPRS, Kiel, Germany, May 24 - 28, 2003.
- TARASCO E. & GRIFFIN C.T., **2003** – Desiccation tolerance of 6 Italian strains of entomopathogenic nematodes. 9TH European Meeting IOBC/WPRS Kiel, Germany, May 24 - 28, 2003.
- TARASCO E., & TRIGGIANI O., **2004** – Entomopathogenic nematodes of forest habitats in Southern Italy and their ecological role in controlling forest pests. In “Entomological Research in Mediterranean Forest Ecosystems.” Edited by F. Lieutier & D. Ghaïoule, INRA Ed
- MARANNINO P., TARASCO E. & DE LILLO E., **2004** – Application of Italian native EPNs in controlling newly hatched larvae of *Capnodis tenebrionis* (L.) (Coleoptera: Buprestidae) - preliminary note. COST 850 Workshop, 4th WG 4 Meeting: Inundative and Inoculative Release and Persistence of EPN in Forest and Agriculture Environments. 20-22 February 2004, Aberdeen, Scotland.
- TRIGGIANI O. **2003** - Nematodi entomopatogeni. Convegno Nazionale "Nematodi quali agenti biologici du controllo su insetti di rilevanza sia per l'agricoltura che per la salute." Progetto MIUR-Cluster C06+07. Perugia 26 settembre 2003 (In corso di stampa).
- TRIGGIANI O., MRACEK Z. & REID A. **2004** - *Steinernema apuliae* sp. n. (Rhabditida, Steinernematidae), a new entomopathogenic nematode from southern Italy. Zootaxa 460, 1-12
